Ethics in the public domain: essays in the morality of law and politics

Buy Ethics in the Public Domain: Essays in the Morality of Law and Politics from Amazon's Book Store. Free UK delivery. This book is a collection of essays by Joseph Raz, a renowned legal philosopher, on various aspects of law and politics. It explores the ethical implications of legal and political decisions, and the role of moral duties in the public domain.

The essays are divided into different sections, each focusing on a specific theme. The first section, "The Ethics of Well-Being," discusses the moral duties that arise out of concerns for the well-being of individuals.

The second section, "The Ethics of Authority," examines the concept of authority in the context of law and politics.

The third section, "The Ethics of Law and Politics," explores the relationship between law and politics, and the role of morality in shaping legal and political decisions.

The essays are written in a clear and accessible style, making them suitable for both scholars and students of law and philosophy.

The book covers a wide range of topics, from the role of the state in society to the ethical implications of international law. It is an important contribution to the ongoing debate about the morality of law and politics.

Overall, Ethics in the Public Domain: Essays in the Morality of Law and Politics is a valuable resource for anyone interested in the ethical dimensions of law and politics.
