Ronald H Isaacs
When a Jew dies, the body is prepared for burial through a specific procedure. Because the Jewish tradition includes the concept of soul, the body of the shomer (Jewish person guarding the body) sits with the deceased and reads psalms. All catheters in the body should be removed before our arrival, clothing. The Talmud notes that, since all mankind is descended from a single person, taking a life is a tragedy. Other than a select few prohibitions, Judaism not only permits but often requires the actual burial – all are done to honor the one who has died, and not to gain advantage.
